Robert. New York June 17th ____ 1880 Mr Coccoran Dear Sir By the kind suggestion of Mr Burstadt We respectfully submit a proposition for decorating the large Gallery in the building known as the Coccoran-Ant Gallery - Located in The Eity of Washington - D, B. 1st In accordance with the second skeeth submitted we propose to carry the edea of the decoration of the large cove around the entire room with Classical allegorical ornamentation. including a number of large mid. dallions portraits representing the most celebrated masters - in Basso releive initation bronze - The large counsh and bracketts to be done in diffirmt Shade's - picked out in different metalic tints- Between the brackets in The aforementioned Cornish we propose a pannel with The name of alibrated artists thereon as suggested in The skeeth, The ornamental work around the skylight to be treated similar to the cornish and in a tone that will harmonize with the entire work. we propose to execute the above work in Jempera, 2d We propose to paint the walls in Oil Color to give the same four coats the last to be stippled and flatted and to be about the same tone as suggested in the skieth. The price for the above mentioned work as proposed will be Eighteen Hundred dollars. I would not like to estimate any lower without first swing the place, It being a public institution and fulling it may add to our reppertation, I will name a lower figure (if I can possably do so without loosing money) I will require about two months time to execute the above work - but would like to know your diession as soon as possable so we can have the Cartowns ready-for this is a large parte of the work, Very Ruptly V. G. Stripwich & Co
